Address: 8 Fenghuang Road, Yindde City, Guangdong Province, P.R.China, 513000

Mobile: 0086-13750086103

Email: cengsai@gmail.com

EDUCATION

Sept.2010-June 2014

Zhuhai College of Jilin University, Zhuhai, Guangdong,P.R.China

Bachelor of Computer Science and Technology

Major: Computer Science and Technology

GPA: 3.25/4.0 (Top 10%)

RESEARCH EXPEROENCE

July 2013-June 2014

Digital Biology Laboratory, University of Missouri-Columbia

Research Scholar

Description:

- Optimized programming structures of MUFOLD.
- Developed a program to assess predicting protein model.
- Managed the database of MUFOLD.
- Assisted teammates to complete CASP11 tasks.

AWARDS AND ACHIEVEMENTS

2013 - 2014

- National Scholarship for Undergraduate Students;
- Excellent College Student of Zhuhai College of Jilin University;
- Second-Class Scholarship for Excellent Students of Zhuhai College of Jilin University;

2012 - 2013

- Second-Class Scholarship for Excellent Students of Zhuhai College of Jilin University;
- First Prize, National Software Professionals and Entrepreneurship Guangdong Regional Contest;
- Second Prize, National Software Professionals and Entrepreneurship National Final Contest;

2011 - 2012

- First Prize, C Programming Language Contest of Zhuhai College of Jilin University;
- Second-Class Scholarship for Excellent Students of Zhuhai College of Jilin University;

COURSES STUDIED

Physical, Algorithms and Data Structures, Programming Language Theory, Operating System, Computer Graphics, Computer Architecture and Engineering, AI, Database System

SKILLS

English: Very good in listening, speaking, reading and writing abilities
Computer Skills: C, C++, Java, SQL Server, Android Develop, Database System, Word, Excel, Powerpoint.

HOBBIES

- Love software programming, repeated efforts to crack the encryption algorithm plug a network game
- IT BBS, searching information, study and communication
- Badminton and Dancing
